Dedicate 2014 to doing service in SLAA

With GDVI elections coming up, have you considered doing service? Have you seen the way other members enjoy long term sobriety? Is it because they share their stories at meetings? Set up chairs? Act as sponsors? Or do they do more service by being a meeting treasurer? Or attend the monthly GDVI board meetings as meeting representative? Service occupies the vacant time you have when you give up the addiction. If you don't fill that vacant time, the addiction will soon come roaring back to fill it. So consider filling that vacancy with service to GDVI. With six months sobriety you can coordinate the Meeting List, assist on the web site, chair the Information Line, the Outreach Committee or the Social Committee. For these positions you need not attend any monthly board meetings! One year sobriety you can be the Treasurer or Co-Chairperson. Many other volunteer positions are available : helping on retreats, manning the booth at the Recovery Walk, even writing for Headline News! Join us, and we will let you in on a little secret: *Service keeps you sober*!
