Meetings Beyond the Delaware Valley:

SLAA Fellowship-Wide Services can direct you to meetings across the nation and around the world. To find SLAA meetings outside the Delaware Valley area, visit FWS:

www.slaafws.org/meetings.

All meetings are open to everyone who thinks they may have a problem with sex and love addiction and to members of the SLAA Fellowship. All meetings are open to beginners. While there are some meetings that focus on the specific needs of beginners, it is more important to attend a meeting, any meeting.

If you just want to observe a meeting or are a support person for a person with a sex and love addiction, please introduce yourself to the meeting leader before the meeting begins. Please remember that what you hear, and who you see in the meetings, stays in the meetings. This is an anonymous fellowship and it is the foundation of our recovery.
