

What: GDVI 12 Step Virtual Women's Retreat

Dates: Friday, February 4 to Sunday, February 6, 2022

Location: Virtually using the Zoom Platform

Retreat Format & Requirements:

- During the retreat weekend we will read and share on the 12 Steps-together. If you have worked on the Steps in this type of format before, you already know its value. If you have not done any study of the Steps, intensive or otherwise, this is a great way to do it, especially the first time. It gives you hope and faith that the program steps work. Regardless of where any one individual is in the Step study process, we are able to learn from sharing our experience, strength and hope with each other.
- There will be leaders and speakers selected at random on the Friday introduction of the weekend. We trust our Higher Power in this process and know whoever is chosen to speak or lead is strengthening their own recovery and offering value to ours.
- All retreat requirements can be found at slaadvi.org/activities
